

Certified Food Manager Registration Documentation
Registration Fee = \$25.00

The NET Health District Order 2016-2 requires each food establishment to have at least one certified food manager present during all hours of operation. Compliance became effective April 1, 2011.

To document compliance, each food establishment is required to register their certified food managers with the . A fee of \$25.00 is required and the registration will expire at the same time the Certified Food Manager certification expires. (Part I. Section 8. B. 5) NetHealth District Order 2016-2) Failure to comply can result in suspension of the food establishment permit.

Please complete the information below and return it with a copy of the Certified Food Manager Certificate to the NetHealth 815 N. Broadway Tyler TX 75702. www.healthyeasttx.org

A NetHealth Registration Card will be sent to the food establishment OR the individual to be posted along with the Original Certified Food Manager Certificate at the facility. Questions – 903-535-0037
